

Determinazione del Responsabile Ufficio Formazione n° 2059 del - 5 OTT. 2017

Oggetto: Aggiornamento obbligatorio, Dirigente Medico, Dott. Matteo Floris

Pubblicata all'Albo Pretorio dell'Azienda Ospedaliera a partire dal - 5 OTT. 2017 per 15 giorni consecutivi e posta a disposizione per la consultazione.

Il Responsabile dell'Ufficio Formazione

- Visto** il D. Lgs. n. 502/92 e successive modificazioni ed integrazioni;
- Viste** le Leggi Regionali n. 10/2006 e n. 05/2007;
- Vista** la Deliberazione n. 263 del 04.03.2015, con la quale il Commissario Straordinario ha autorizzato il Responsabile dell'Ufficio Formazione Dott. Andrea Corrias, a predisporre le Determinazioni;
- Vista** la comunicazione Prot. n°137 del 28/09/2017, con la quale il Direttore Dipartimento Patologia Renale ha fatto richiesta di comando obbligatorio per aggiornamento, in favore del Dirigente Medico Dott. Matteo Floris;
- Ritenuto** di dover autorizzare la partecipazione del Dott. Matteo Floris all'evento "ASN Kidney Week 2017" che si terrà New Orleans dal 31.10.2017 al 5.11.2017, per un importo presunto di €3000.00 (tremila euro) come da documentazione allegata per farne parte integrale e sostanziale;
- Considerato** che tale spesa ricadrà sul Fondo del progetto Tender ai sensi della L.R. 7/2007 di cui risulta verificata la copertura finanziaria come da nota protocollo n. 136 del 28/09/2017 del Servizio Economico Finanziario, e che la liquidazione dei costi sostenuti dovrà essere effettuata previa trasmissione a cura del Dott. Matteo Floris della documentazione giustificativa ai competenti Uffici con la relazione sull'aggiornamento e dell'Attestato di partecipazione al Congresso;

%

Segue determinazione n. 2058 del - 5 OTT. 2017

D E T E R M I N A

Per i motivi esposti in premessa:

1. Autorizzare la partecipazione del Dott. Matteo Floris all'evento "ASN Kidney Week 2017" che si terrà a New Orleans dal 31.10.2017 al 5.11.2017.
2. Autorizzare il Dott. Matteo Floris a partire il giorno dopo la chiusura dell'evento per motivi organizzativi;
3. Dare atto che l'importo complessivo presunto di € 3000.00(tremila euro) ricadrà sul Fondo del progetto Tender ai sensi della L.R. 7/2007 di cui risulta verificata la copertura finanziaria come da nota protocollo n. 136 del 28/09/2017 del Servizio Economico Finanziario.
4. Disporre che la liquidazione dei costi sostenuti dal Dott. Matteo Floris venga effettuata previa trasmissione ai competenti Uffici della documentazione giustificativa, di una relazione sull'aggiornamento e dell'Attestato di partecipazione al Congresso.
5. Trasmettere la presente determinazione al Direttore della S.C. del Personale per i conseguenti adempimenti.

August 11, 2017

Dear Dr. Antonello Pani:

On behalf of the American Society of Nephrology (ASN) and its 2017 Program Committee, thank you for submitting an abstract for the ASN Kidney Week 2017 Annual Meeting, October 31 - November 5 in New Orleans, LA. We are pleased to inform you that your abstract **2788699 "Kidney size in relation to aging, gender, function and CKD risk factors"** has been selected by ASN's Program Committee for poster presentation. The details of the poster session are outlined below:

Poster Session

Session Title: 901-PO01 Geriatric Nephrology

Session Date, Time: November 3, 2017 from 10:00 AM to 12:00 PM

Your Poster Board #: FR-PO937

Your poster board number will correspond with the number printed in ASN's 2017 Abstract Supplement. Your poster board area will be approximately 4 feet high (1.219m vertical) by 8 feet wide (2.438m horizontal). Please reference the poster instructions to prepare your poster. Exhibit Hall access for poster presenters during the poster set-up/dismantling times will be located at the **Entrance Hall G** door. On your assigned date as noted above, please plan to (a) set up your poster on your assigned board between 7:30 a.m. – 9:15 a.m., (b) display your poster all day between 9:30 a.m. – 2:30 p.m., and dismantle your poster between 2:30 p.m. – 4:00 p.m. **ASN cannot be responsible for posters that are not removed by the specified poster dismantling times. Please [click here](#) for additional poster instructions.**

One of the abstract co-authors must remain at the poster throughout the designated "Poster Presentation" period, which is 10:00 a.m. – 12:00 noon. Many members have noted, and the Program Committee agrees, that the quality of the poster session is reduced when authors are not available to discuss their work.

Poster Printing Service

ASN is pleased to provide the Cali4Posters™ poster printing service to all poster presenters. This service is easy and convenient and gives you the option to have your poster delivered directly to New Orleans to pick up onsite. Prices start as low as \$99. You will receive a

separate email with instructions for accessing this service.

Program and Abstracts Online

The Kidney Week program is available on the [ASN website](#). Abstracts will be available on the ASN website by October 13, 2017. The abstracts will remain online for approximately one year.

Registration and Housing

Presenting authors of abstracts accepted for oral or poster presentations must register for the Annual Meeting (fees apply) and make their own [housing reservations](#) and travel arrangements. Please note that [early registration](#) closes on August 30, 2017.

Congratulations on having your abstract selected for poster presentation. We appreciate your willingness to participate and look forward to seeing you in New Orleans. Please direct any questions to ASN at education@asn-online.org.

Sincerely,

Eleanor D. Lederer, MD, FASN, ASN President
Susan M. Wall, MD, Kidney Week Program Committee Chair

Early Programs

Early Programs provide invaluable opportunities to concentrate your time on key issues in nephrology care and research—learn from the best and expand your professional network. Don't miss out on these invaluable learning experiences.

Two-Day Early Programs

- NEW** Advances in Research Conference: Precision Medicine in Renal Diseases
- NEW** Advancing Clinical Research in Nephrology: Approaches and Methods
- Critical Care Nephrology: 2017 Update
- Diagnosis and Management of Disorders of Acid-Base, Fluid, and Electrolyte Balance: Challenging Issues for the Clinician
- Fundamentals of Renal Pathology

Glomerular Diseases Update: Diagnosis and Therapy 2017
Kidney Transplantation
Maintenance Dialysis

- NEW** What You Need to Know about Diabetes and Diabetic Kidney Disease

One-Day Early Program

- NEW** The Dialysis Infection Crisis in the United States: A Call to Action

Please note that CME credits vary per program.

New at Kidney Week 2017

Precision Medicine in Renal Diseases (Advances in Research Conference)

Critical advances in molecular and clinical medicine can illuminate comprehensive genetic, molecular, structural, and clinical aspects of diseases. Learn about the latest strategies to integrate these multi-scalar data sets to define mechanisms that cut across these knowledge domains and propel innovative approaches in novel clinical trials.

Advancing Clinical Research in Nephrology: Approaches and Methods

Epidemiology, clinical trials, and qualitative research define modern clinical investigation. Learn about innovative approaches to data acquisition, stakeholder engagement, systems biology, precision medicine, implementation science, the role of patient reported outcomes and qualitative research, as well as fundamental concepts of clinical research.

What You Need to Know about Diabetes and Diabetic Kidney Disease

This program addresses the background epidemic of diabetes mellitus, the pathophysiology of diabetic CKD, current approaches to diabetic CKD and hypertension, new drugs in development, the growing use of hypoglycemic agents in diabetic CKD, and unique dialysis and transplant problems facing patients with ESRD due to diabetes.

The Dialysis Infection Crisis in the United States: A Call to Action

This interactive program focuses on the urgent need to enhance infection control and prevention for all infectious threats in U.S. dialysis facilities. Nephrologists play a critical role as team leaders in transformational change that continuously improves the safety of life-sustaining dialysis, protecting patients and health care personnel. Tools and education will enable nephrologists to lead the pursuit of zero preventable infections.

Visit www.asn-online.org/KidneyWeek for more details and registration fees for all Early Programs.

Kidney Week 2017

The Intersection of Basic Science and Clinical Care: The Future of Personalized Nephrology

The American Society of Nephrology (ASN) is proud to host the world's largest and most dynamic meeting of kidney professionals. ASN Kidney Week provides participants with unparalleled opportunities to share their work, learn about the latest advances in the field, develop new collaborations, and listen to provocative and engaging exchanges between leading experts.

The Intersection of Basic Science and Clinical Care: The Future of Personalized Nephrology is the theme of this year's Kidney Week. This honors the commitment and dedication of kidney health professionals worldwide who build the future of kidney care by pushing the boundaries of research and clinical discovery.

Annual Meeting Highlights

State-of-the-Art Lectures

"Human Engineered Tissues for Dialysis Access" (Thursday, Nov. 2)

Laura E. Niklason, MD, PhD, Yale University

"G Protein Coupled Receptors: Challenges for Drug Discovery" (Friday, Nov. 3)

Brian Kobilka, MD, Stanford University

"Epigenetics at the Crossroad of Genetics and Environment Leading to Disease" (Saturday, Nov. 4)

Andrew Feinberg, MD, MPH, Johns Hopkins University

"Innate Immunity in Tissue Injury and Inflammation" (Sunday, Nov. 5)

Richard A. Flavell, PhD, Yale University

Awards

Homer W. Smith Award and Address (Friday, Nov. 3)

Martin R. Pollak, MD, Beth Israel Deaconess Medical Center/Harvard Medical School

John P. Peters Award (Saturday, Nov. 4)

Ronald J. Falk, MD, FASN, University of North Carolina Hospitals

Belding H. Scribner Award (Saturday, Nov. 4)

Raymond M. Hakim, MD, PhD, Vanderbilt University

Robert G. Narins Award (Saturday, Nov. 4)

Joel Topf, MD, Oakland University William Beaumont School of Medicine

ASN-AHA Young Investigator Award and Address (Sunday, Nov. 5)

Chirag R. Parikh, MD, PhD, FASN, Yale University

Special Lectureships

Christopher R. Blagg, MD, Lectureship in Renal Disease and Public Policy

"Creating a Physician-Led Health Care Future" (Thursday, Nov. 2)

Harold D. Miller, Center for Healthcare Quality and Payment Reform, Carnegie Mellon University

Barry M. Brenner, MD, Endowed Lectureship

"Role of Inflammation and Fibrosis in AKI Progression" (Friday, Nov. 3)

Manjeri A. Venkatachalam, MBBS, University of Texas Health Science Center

Jack W. Coburn, MD, Endowed Lectureship

"Longitudinal Studies of Mineral Metabolism in CKD" (Saturday, Nov. 4)

Tamara Isakova, MD, Northwestern University

Robert W. Schrier, MD, Endowed Lectureship

"Inflammatory Cytokines Regulate Proximal and Distal Sodium Transporters" (Friday, Nov. 3)

Alicia A. McDonough, PhD, University of Southern California

Michelle P. Winn, MD, Endowed Lectureship

"APOL1 Risk Alleles and the Podocyte" (Saturday, Nov. 4)

Jeffrey B. Kopp, MD, FASN, National Institute of Diabetes and Digestive and Kidney Diseases, National Institutes of Health

Celeste Castillo Lee Memorial Lectureship

"Effective Patient Engagement Strategies to Develop Future Therapies and Advance Patient Safety" (Friday, Nov. 3)

Kevin J. Fowler, The Voice of the Patient, Inc.; Kidney Health Initiative

High-Impact Clinical Studies Trials

Saturday, November 4, 10:30 a.m. – 12:30 p.m.

This high-profile session features clinical trials in nephrology that will inform future patient care.

Oral Abstract Sessions

Thursday, November 2 – Saturday, November 4, 4:30 p.m. – 6:30 p.m.

No meeting in nephrology provides a better view of the world's cutting edge science: AKI, Bioengineering and Informatics, Cell Biology, CKD, Developmental Biology and Inherited Kidney Diseases, Diabetes, Dialysis, Divalent Ions, Fluid/Electrolytes/Acid Base, Genetic Diseases, Geriatric Nephrology, Glomerular Disorders, Hypertension, Nephrology Education, Nutrition/Inflammation/Metabolism, Patient Safety, Pharmacokinetics/Pharmacodynamics/Pharmacogenetics, and Transplantation.

Poster Sessions

Thursday, November 2 – Saturday, November 4, 9:30 a.m. – 2:30 p.m.

View thousands of posters daily on the scientific exposition floor. Visit each day from 10:00 a.m. to 12:00 p.m. to talk with investigators about their presentations, expand your knowledge and develop new collaborations.

CME/CNE/CPE credits will not be awarded for these materials.

Scientific Exposition

Thursday, November 2 – Saturday, November 4, 9:30 a.m. – 2:30 p.m.

This unparalleled international venue provides demonstrations of products and services that will enhance your understanding of the latest advancements in pharmaceuticals, devices, imaging, publications, and services important for delivering high-quality patient care. You can engage in peer-to-peer interactions with representatives and businesses that form an integral part of your day-to-day fight against kidney diseases.

Welcome Reception

Thursday, November 2, 6:30 p.m. – 7:30 p.m.

ASN will host a Welcome Reception for all Kidney Week participants in the exhibit hall. This kick-off event will provide participants the opportunity to meet peers from across the globe, and an additional unopposed hour to engage with exhibitors and explore the exhibit hall.

Communities Lounge—New!

Thursday, November 2 – Saturday, November 4, 9:30 a.m. – 2:30 p.m.

ASN proudly launches the Communities Lounge, a new attraction that extends the exciting professional network expanding daily through the online ASN Communities. The Communities Lounge enhances the Kidney Week experience—visit and connect with those working in your area of study, or working in areas you want to know more about. The lounge is located in the exhibit hall and features:

- ▲ ASN Community Leaders
- ▲ Central Connectivity Bar
- ▲ Meeting Quads
- ▲ Relaxation Zone

Stop by booth 917 to explore the ASN Communities world.

Kidney Week On-Demand™

This online program contains approximately 200 hours of Annual Meeting presentations and is available to fully paid participants at no additional cost. View presenters' slides while listening to fully synchronized audio from your computer, tablet, or smartphone.

CME/CNE/CPE credits will not be awarded for these materials.

Azienda Ospedaliera G. Brotzu

Oggetto: Finanziamento progetto di ricerca TENDER L.R. 7/2007.

In riferimento al progetto TENDER ai sensi della L.R. 7/2007, in quanto responsabile scientifico di uno dei tali progetti finanziati dal titolo "Ricerca genetica sulla malattia renale cronica in Sardegna", approvato con delibera della Giunta Regionale n. 29/3 del 24 luglio 2013 e successiva determinazione prot. n. 8159 del 19/11/2014 con un finanziamento di Euro 200.000,00, chiedo di poter utilizzare la somma di € 6.000,00 per coprire le spese di vitto, alloggio e viaggio per il Dott. Matteo Floris e la Dott.ssa Doloretta Piras.

Entrambi parteciperanno al Meeting dell'American Society of Nephrology – Renal Week – dall'1 al 5 Novembre 2017, dove presenteranno un lavoro dal titolo " 2788699 "Kidney size in relation to aging, gender, function and CKD risk factors" , accettato nella Sessione :

SEDE

Oggetto: Fondi S.C Nefrologia e Dialisi- Progetto Tender – Utilizzo della somma di euro 6.000

Con riferimento alla nota n.136 del 28.9.2017 si attesta che dalle nostre risultanze contabili il fondo relativo al Tender L.R. 7/2007 malattia Renale cronica è capiente per la somma richiesta.

Si ricorda che l'acquisto di beni e servizi, anche se con l'utilizzo di fondi a disposizione delle singole strutture, deve seguire le procedure di autorizzazione per gli approvvigionamenti normalmente utilizzate, ovvero deve avvenire tramite richiesta al Servizio competente (Servizio per l'acquisizione di beni e servizi per strumenti e attrezzature, Ufficio Formazione per la partecipazione a corsi e convegni e Servizio Personale per la stipula di contratti di consulenza e collaborazione), aggiungendo nella richiesta la specifica indicazione sulla natura dei fondi (fondi propri del reparto o del progetto) sui quali graverà la spesa e dando comunicazione, una volta avvenuto l'impegno di tali fondi, al servizio scrivente.

Si ringrazia per la collaborazione e si rimane a disposizione per ogni chiarimento.

Cordiali saluti

Il Direttore del Servizio Economico Finanziario
Dott. Ennio Filigheddu
