**OGGETTO: TCT 2015 – San Francisco, 11/15 ottobre 2015.**

Abbiamo il piacere di informarVi che, nell'ambito del contratto di service, saremmo lieti di supportare la partecipazione di un medico della Struttura Complessa di Emodinamica.

Il congresso in oggetto si terrà presso Il Moscone Convention Center di San Francisco dall'11 al 15 ottobre e verranno trattati aspetti clinici e medici di importante interesse per la comunità medica, nonché per il migliore e più corretto impiego terapeutico della tecnologia medica.

N.G.C. Medical ritiene che il sostegno a favore di eventi formativi specifici costituisca parte del proprio contributo volto al miglioramento della qualità di vita dei pazienti.

Il programma scientifico è consultabile e scaricabile dal sito [www.crf.org/tct](http://www.crf.org/tct).

N.G.C. Medical sarà disponibile a sostenere le seguenti spese necessarie alla partecipazione:

- Iscrizione;
- Spese viaggio: biglietto aereo;
- Pernottamento: 5 notti;
- Pasti: per la durata dell'evento.

Si precisa che la presente comunicazione viene fatta per garantire la piena trasparenza con riferimento alla sponsorizzazione di iscrizioni a congressi, in ottemperanza al proprio codice etico. N.G.C. Medical, infatti, è una società che opera nel settore biomedicale e pertanto non è soggetta alle autorizzazioni ed in ogni caso agli obblighi di legge previsti nel decreto legislativo n. 541 del 30.12.1992 specifico per le aziende che commercializzano medicinali o specialità farmaceutiche.

Restiamo in attesa di Vostro cortese riscontro alla presente e del nominativo, al fine di organizzare i dettagli della partecipazione.

Cordiali saluti.
