the 12th annual congress of the Arab Association of Urology, in the period 3-6
November, 2015

Created on Wednesday, 23 April 2014 13:23

WELCOME LETTER FROM PRESIDENT OF JAUS:

On behalf of the executive committee of the 9th International Conference of the Jordanian Association of Urological Surgeons that will be conducted in Amman-Jordan in conjunction with the 12th annual congress of the Arab Association of Urology, in the period 3-6 November, 2015, I would like to welcome you all to Jordan to attend and participate in this huge scientific event

This meeting brings together experts from great international, regional and local institutions to discuss advances in urology and share knowledge that paves the way for a new era of innovation in urology

A few places in the middle east have what Jordan has to offer: political stability, great destinations to visit (Petra, Jerash, Dead sea, etc), great weather and hospitable people.

Our cosmopolitan capital city, Amman, is a vibrant and impressive place with lots to see and do. We extend a warm welcome to our esteemed guests, attendees, and invited speakers wishing them a wonderful event and an enjoyable stay in Jordan.

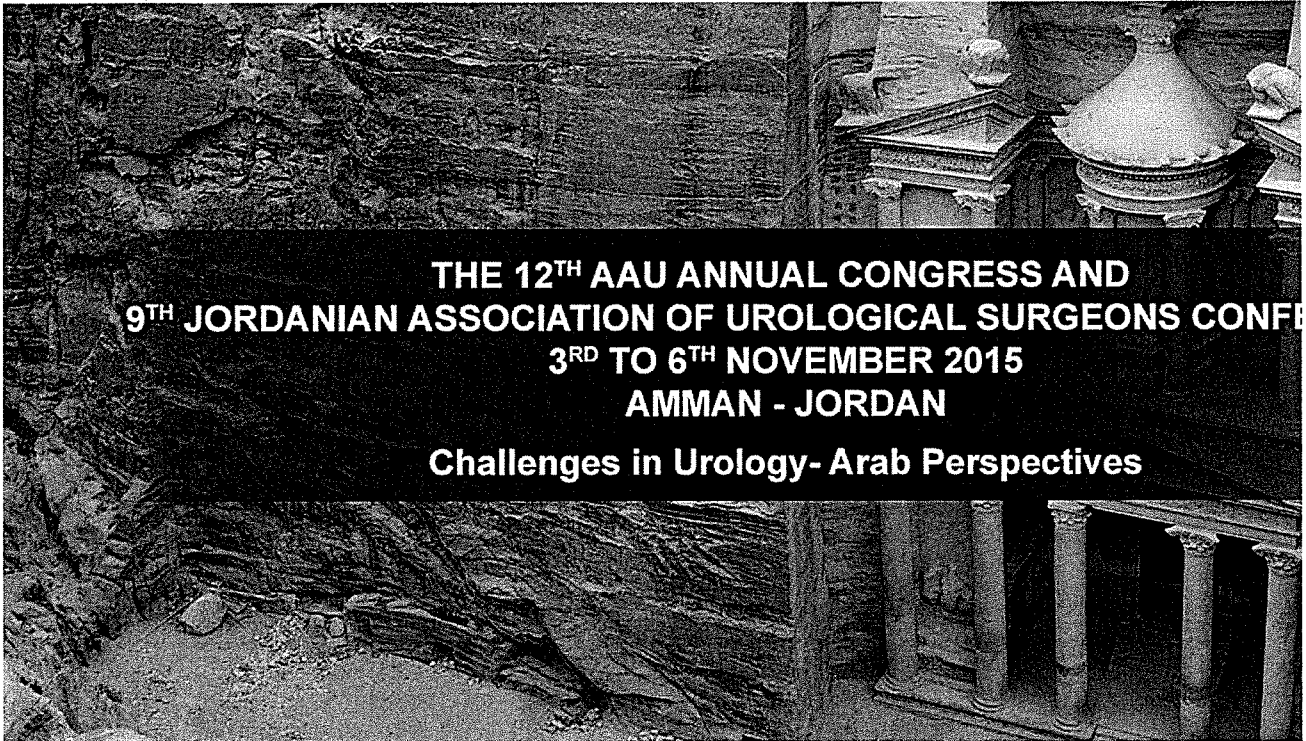

Looking forward to welcoming you all in Amman.
